WHY VOTE FOR PEEP MONTAIGNE?

Because we share your concerns, we listen & we act: e.g. obtaining lockers for the college students; institutionalising meetings between teachers/parents; the banning of portables in class, and actively supporting the school to eradicate blockaded accesses.

Who are we?

PEEP is **the earliest established parents' association in France**. It has no political allegiance at any level. PEEP Montaigne is also long-established, and experienced.

PEEP Montaigne is a diverse team of parents of students in 6ème to 'la terminale', with only one objective ; help all of our Montaigne students realise their full potential.

Daily

We're , following up on your behalf with teachers, and school management as needed:

We're already on the ground chasing up for the replacement of absent teachers. We're the constant reminder!.

We're already on the case too regarding school meals, quality and queuing times & library opening times.

The Administrative Council is composed of representatives from the school administration, teachers, parents, & students. It is there that proposals are voted upon and principal budgetary decision are taken, teaching hours, pedagogical programmes, daily organisation of the Collège and Lycée. It is a crucial venue for the direction and values of the school. If there's one action you can take this year to help PEEP help your kids, please take a moment to VOTE for us!
